Centerport Shell Closes / Business Merges Into Greenlawn Auto

Brian at Centerport Shell Service Station is closing his Centerport Shell Service Station, and merging his customer's car service into Greenlawn Auto Service on Broadway in Greenlawn Village, across from CVS.

To make this transition easy for you, Shawn, co-owner of Centerport Shell, is joining the staff full-time at Greenlawn Service. Shawn brings with him his knowledge of the customer and your car's service history, so you can pick up right where you left off at Centerport Shell.

- Brian

At Greenlawn Auto Service, you can expect the same old-fashioned service, fast turnaround and comparable prices when you bring your car to us. Stop in and say hello the next time you're passing through Greenlawn Village, if you have any questions or just want to say hello to me and my staff.
